REQUIREMENTS
FOR
CHAPTER ELECTION PROCEDURES

2013 - 2014
PREFACE

It is the purpose of these requirements to ensure the integrity of the electoral process. The principle of voting is to determine the mandate or choice as expressed by those voting. CALIFORNIA TEACHERS ASSOCIATION
ELECTION PROCEDURES

These election procedures are provided to assist a unit in conducting elections in an orderly manner and in accordance with CTA guidelines. A "unit" is defined as a Chapter, Service Center Council, UniServ Unit, ESP Unit or an entity that must conduct an election.

Chapter presidents must provide all Active members (hereinafter referred to as “members”) an opportunity to vote. Chapter presidents do not have the option of deciding that such elections shall not be held.

[Revised 6/13]

The Elections Committee and Chairperson shall be appointed by the president and approved by the Executive Board to which it is responsible at the beginning of each school year. It will be composed of at least three members who are familiar with the unit operations and who are not seeking election. Voting members of the unit’s governing body (i.e.: Executive Board) are not permitted to be on the unit’s elections committee. Any Association member who is either a candidate on the ballot or whose immediate family member is a candidate shall abstain from all election committee activities on that particular ballot.

[Revised 6/12, 6/13]

The Elections Committee is charged with ensuring that elections are conducted in a fair and impartial manner, consistent with the following:

I. Election Timeline and Procedural Components

1. The timeline, procedural components, voting by mail procedure and the challenge procedure must be established prior to the election. If the unit has year-round schools, more time is needed because mail balloting may be required.

2. Schools/work sites on alternative calendars shall be considered when setting election timelines.

3. The election begins with the announcement of vacancy(ies) and terms of office and cannot be stopped until the conclusion of the election, including run-offs if necessary.

4. A Timeline for Elections shall include the following:
   a. Announcement of vacancy(ies) and term(s) of office using a method that will ensure each member is aware of the opportunity to file a declaration of candidacy;
   b. At least fifteen (15) calendar days between the announcement date of the vacancy(ies) and the date of the election;
   c. Place, time and date of receipt (date received, not date postmarked) for declaration of candidacy forms;
   d. Final date to acknowledge candidates' declaration of candidacy;
   e. Date for preparation of ballots;
   f. Date on which ballots will be distributed;
   g. Date by which to request a ballot;
   h. Date(s) when voting will take place;
   i. Deadline date (date received, not date postmarked), time and place for return of ballots;
   j. Date, time and place where ballots will be counted, which should be immediately following the deadline for receipt of voted ballots;
   k. Date that announcement of results shall be made to leadership, candidates, members, and posted at each work site, which date shall be not later than five (5) calendar days following the counting of ballots;
   l. Dates and timelines for run-off election, if necessary; and
   m. Deadline for filing of challenges to initial election and run-off if held (date received, not date postmarked). (See Appendix A)
5. Procedural Components should include the following:
   a. Method by which Declaration of Candidacy(ies) are submitted (mail, hand delivered, fax);
   b. Procedure for distributing election guidelines/rules to candidates;
   c. Campaign statement of candidates (decide on limit of number of words, and what to do if limitation is exceeded);
   d. Method of distribution of ballots;
   e. Whether declarations of candidacy must be accompanied by a campaign statement, or whether the statement will be solicited later. If later, a deadline date must be established;
   f. Provision for elections committee chairperson or designee to be present to receive declaration of candidacy by filing deadline;
   g. Announce that the names are to be listed according to CTA alphabet; [Revised 6/05]
   h. If not provided in governance documents, election will be decided by majority vote. If a candidate does not receive a majority vote, a run-off election shall be conducted between the candidates receiving the highest number of votes. The names on the ballot will be one (1) more than the number of vacancies to be filled; [Revised 7/03, 6/13]

II. Open Nomination

Open nomination is defined as the opportunity of any unit member to nominate any other unit member, including himself/herself. The only qualification for office is membership in the unit. Declaration of candidacy forms shall be readily available to members. The form must state the requirements as to the deadline for time and place of filing.

III. Term

The term(s) of office shall be clearly stated on the following documents:
   1. Announcement;
   2. Declaration of Candidacy form; and

IV. Campaign Finances and Use of Unit Resources

   1. Money received by a unit by ways of dues, assessment or similar levy must not be used to promote any candidate.
   2. A unit may not state or indicate its preference for a candidate in the unit's publications.
   3. The use of links to any Association website by a candidate is prohibited.
   4. The Association shall not make available personal emails to candidates.
   5. District email addresses and/or systems shall not be used for campaigning.
   6. Candidates cannot campaign on any affiliated chapter/service center social networking sites created for association/leadership members to communicate with each other. [Revised 6/10]
   7. Each candidate shall have the right to a list of the work site names and work site addresses with the number of Active members at each site for the purposes of campaigning. [Revised 7/03, 6/04, 6/05, 6/07]
   8. A unit will honor all reasonable requests by a candidate to distribute campaign literature at his/her expense to all members in good standing, whether the distribution is by mail or other means. However, if distribution of campaign literature for one candidate is without charge, then distribution for all candidates must be without charge. Treating all candidates the same by refusing to honor any and all reasonable requests for distribution of campaign literature at the candidate's expenses is not permitted. The unit should inform all candidates of rules in this regard.
   9. A candidate cannot accept direct contributions from a unit's treasury or indirect contributions in the form of use of a unit's assets, facilities, staff, equipment, mailings, good will or credit.
   10. A candidate cannot use the official logo of the unit or official Association title in a way that suggests that the candidate has the support of the unit, CTA or any of its affiliates. This prohibition includes candidate email addresses. [Revised 6/10]
11. All campaign flyers/materials must include the following disclaimer, which must be stated verbatim: “The views and opinions expressed are those of the candidate and not necessarily those of the unit, CTA, NEA or any of its affiliates.” [Revised 6/04, 6/13]

V. Candidates' Statements
Each candidate must be treated equally in preparation and distribution of a campaign statement. When there is a limitation of words, each word shall be counted. Any word(s) exceeding the limitation shall not be printed. The statements shall not be printed on the ballot.

VI. Ballot
The CTA alphabet should be used to determine the order of the candidate's names. In the event that the last name of more than one candidate begins with the same letter or more than one candidate has the same last name, the CTA alphabetical order shall continue to be applied throughout the name, including the first name.

The ballot shall state the name of the office, the term, and the name for each office/position of the candidate(s) who have filed declarations of candidacy within the timeline. The ballot shall include space for a write-in candidate for each office/position, except in a run-off election. [Revised 6/04, 6/07]

VII. Voting Methods
All Active members must have an opportunity to vote. Active members who are off-track or on a dues paying leave shall be notified by mail in order to provide them an opportunity and right to vote. Active members on Association/Affiliate business may request a ballot by mail. Provisions must be made for members to cast a ballot in such a manner that the person casting the vote cannot be identified with the vote cast. Voting by mail may be used at sites where it is difficult to contact each member individually to secure a signature on the official voter roster/sign-in sheet. Any Association member who is either a candidate on the ballot or whose immediate family member is a candidate shall abstain from all election committee activities on that particular ballot. Members shall be notified of the types of voting options utilized by the chapter. [Revised 6/04, 6/07, 6/13]

2. Vote by Envelope at School/Work Site/Specified Site
   The following procedure may be used to conduct an election at sites where it is difficult to contact each member individually to secure a signature on the official voter sign-in sheet upon issuance of the ballot. The additional cost of using inner and outer envelopes shall be borne by the unit.
   a. A list of current members shall be prepared, which includes each member's name and work address.

3. Voting by Mail

   Special care should be taken in all phases of handling of ballots to ensure the accuracy and the secrecy of voting by mail. The following procedures and guidelines have been developed for this situation:

   a. A list of current official members shall be prepared, which includes the following: name, work and home address.

   b. A determination shall be made prior to the election whether the ballots shall be sent to the school/work site or to the home of the member.

   c. The voter shall be provided with:
      1. A ballot;
      2. Instructions on:

4. Electronic Online Voting

   a. Chapters and/or a Service Center Council (SCC) wishing to use electronic/online voting shall confer with the CTA Elections and Credentials Committee Chair or designee prior to initiating any electronic/online voting. The CTA Elections Chair or designee shall provide the Chapter and/or SCC with the contact information for CTA approved vendors and related concerns as reflected in this section. [Revised 6/13]

   b. The electronic/online voting vendor does not replace the Chapter/SCC’s elections committee. The Chapter and/or SCC shall appoint a standing elections committee in accordance with these Requirements for Chapter Election Procedures. [Revised 6/13]

   1. The committee shall be appointed and recorded in the Chapter and/or SCC minutes.
2. The members of the committee shall not be current voting members of the governance body; shall not be a candidate, or a member of a candidate’s immediate family.

3. The list of the committee members shall be sent to the CTA Elections and Credentials Committee immediately following appointment.

c. Elections training shall be scheduled with and conducted by the CTA Elections and Credentials Committee for all chapter governance body members and/or SCC Steering Committees, local Chapter and/or SCC elections committee members, and chapter Association/Site Representatives prior to initiating any online/electronic voting procedures.

d. Any Chapter or CTA Service Center Council (SCC) that elects to conduct electronic/online voting shall be required to meet the following additional minimum standards in the election procedures:  

   1. Electronic/online voting shall not create a situation where an eligible member is denied a means to vote in the election. The Chapter and/or SCC shall ensure that there is an alternative ballot procedure for use by those members who (a) cannot access and use an electronic/online environment; (b) who do not have the equipment necessary for electronic/online activities; (c) do not wish to vote electronically/online. The alternative ballot procedure shall comply with one of the methods as identified in this Section IV -9, Voting Procedures for State Council Representatives and Alternates.  

   2. Any Chapter and/or SCC that has made the decision to conduct an electronic/online election in accordance with these requirements shall conduct elections using only a CTA approved company in order to protect the Chapter’s/SCC’s membership information. Any costs associated with the work done by a CTA approved company shall be borne by the Chapter/SCC.  

   3. The Chapter/SCC shall notify the Elections and Credentials Committee of the name of their chosen vendor.

   4. Any challenge filed in an electronic/online voting election which does not reflect the use of one of the CTA approved vendors by any chapter and/or SCC shall have the election immediately declared null and void and the election will have to be re-run on a paper ballot.

   5. CTA recommends that a school district’s Internet system, lines, and equipment should not be used for electronic/online voting.

   6. Chapters and/or SCCs shall adhere to all elections requirements as defined in the CTA Elections Manual and Requirements for Chapter Election Procedures.

   7. Chapter and/or SCC election instructions for both electronic/online and paper ballot shall be distributed to the chapter voting members using both electronic/online and paper communication as established by the Unit’s governance documents.

   8. All records involved with any electronic/online vote conducted by the Chapter/SCC shall be maintained in a hard copy as well as electronically, and should be retained by the local for one year after the election, in order that any challenge filed to an election which is conducted in an electronic/online environment can be properly processed in accordance with CTA Elections Challenge Procedures.  

   [Revised 6/12, 6/13]

VIII. Vote Requirement

All vote requirements shall be established in accordance with CTA guidelines. Unless otherwise specified, all elections shall be decided by majority vote. Write-in votes are valid and must be counted.

   1. Majority means more than half of the legal votes cast for each office/position on the ballot.

   2. A plurality vote means the largest number of votes to be given any candidate or issue. When there is a tie in a plurality election and it is not feasible to conduct the election again because of the time factor, the following procedure shall be followed:
a. When there is a tie, the ballots shall be recounted.
b. If the result is still a tie, the elections committee chairperson shall:
   1) Call the candidates (according to the CTA alphabet) and inform them of the tie and that a
      coin toss shall be used to determine the winner.
   2) If the first candidate called wishes to remain in the race, the chairperson shall ask that
candidate to choose “heads” or “tails” in the coin toss.
   3) The elections committee chairperson shall designate the time and place for the coin toss
      and inform the candidates, who may have an observer present. The observer may be the
candidate.
   4) The elections committee shall note the coin toss on the Unit’s Official Teller’s Report.
   5) The elections committee shall follow the established procedure in notifying the candidates
      of the results.

3. A two-thirds (2/3) vote means at least two-thirds (2/3) of the legal votes cast.

4. For unit officers, the election will be by majority vote.

5. For State Council: *(See the Election Timelines, Procedures, and Guidelines in Sections IV-9.2 and
   IV-9.3 of the CTA Elections Manual)*
   a. If a unit is a single electoral district or a multiple unit electoral district, the election for State
      Council Representative will be by majority vote.
   b. If the unit is within a multiple unit electoral district, the Service Center Council (SCC) elections
      committee will determine if a candidate has received a majority vote. For multiple electoral
      districts, the chapter elections committee returns a signature and ballot verification sheet (see
      Appendix M), voted ballots, and voter roster/sign-in sheets to the SCC elections committee by
      deadline date. \[Revised 6/11, 6/12]\n
6. If a candidate does not receive a majority vote, a run-off election shall be conducted among the
   candidates receiving the highest number of votes. The names on the ballot will be one (1) more
   than the number of vacancies to be filled. **There shall be no provisions for write-in candidates in
   run-off elections.** A majority vote is required to win a run-off election. \[Revised 6/13]\n
7. For NEA Local Delegates, the election will be by plurality vote. Results must be sent to the CTA
   Governance Department and to the Service Center Council. \[Revised 6/13]\n
8. An election for NEA Delegates may be waived and the candidate(s) declared elected if, following a
   period of open nominations, the number of candidates is equal to or less than the number of
   delegate positions to be filled. An affiliate utilizing this provision must have adopted a governing
   provision or election policy allowing such a practice. This election practice will not generate
   successor delegates unless the nomination process requires candidates for both regular and
   successor delegate positions.

9. For NEA State Delegates, the election will be by plurality vote. Successor delegates (alternates)
   are ranked in the order of votes received. Voted ballots, signature sheets/rosters, and a signature
   and ballot verification sheet (see Appendix M) must be submitted to the Service Center Council,
   which will tally all the ballots and report the results to CTA. \[Revised 6/12]\n
10. For additional CTA/NEA election guidelines refer to the official CTA Elections Manual.  
    \[Revised and renumbered 7/03]\n
**IX. Counting of Ballots**

1. Each candidate may designate one observer, who may be the candidate, to observe the vote
   counting process. The observer shall not interfere with the work of the Elections Committee and
   must remain in the room where the vote count is taking place. Electronic devices of any kind (cell
   phone, computer, tablet, etc.) are not allowed in the counting area. \[Revised 6/04, 6/05, 6/13]\n
2. The Elections Committee shall verify signature sheets with ballots received, which should be
   completed immediately following the deadline for receipt of voted ballots. \[Revised 6/04, 6/09]\n
3. Ballots set aside and not counted are:
   a. More ballots than signatures;
b. Ballot(s) submitted after deadline;
c. Voting envelopes without a signature; and
d. Ballots that are separated from voter roster/sign-in sheet. [Revised 6/13]

4. After verification of signatures, ballots shall no longer be separated by site. [Revised 6/11]

5. Each office/position on the ballot shall be treated as a separate race. Therefore it is possible that blank or illegal ballots for one race may still be counted in remaining positions on the ballot. [Revised 6/10]

6. Blank and/or illegal ballots for each office/position shall be set aside. Examples include the following:
   a. Member not verified;
   b. Voter's intent unclear;
   c. Votes cast for more than number allowed;
   d. Votes cast on unofficial ballot (probably reproduced); and
   e. Candidate is not a member. [Revised 6/10]

7. The Elections Committee should categorize each illegal ballot, make a determination on whether the vote(s) in that category should be counted separately, as listed in 6(a-e) above, and make a note of the decision. The ballots should remain separate.

8. The Elections Committee will prepare the Teller's Report, recording information on the total number of votes cast, the number needed to win/pass, the number of votes received by each candidate/issue and the number of blank and illegal ballots for each office/position with an explanation of illegality, and signed by each Elections Committee member. The Teller's Report shall not contain a school-by-school or site-by-site breakdown report.

9. The Chairperson of the Elections Committee will deliver the report of the election results to the president and interested parties. The election results shall be posted at each work site no later than five (5) calendar days following the counting of the ballots. Specific to County office of Education chapters only – election results shall be posted electronically as soon as possible following the election. [Revised 6/10, 6/11]

10. The ballots and voter sign-in sheets should be retained by the unit for one year after the election.

X. Challenge Procedure

1. A challenge cannot be initiated until after the results, including any run-offs if necessary, of the election have been posted at each work site. [Revised 6/13]

3. Challenging party(ies) must notify the unit president and elections chair of a challenge in writing, using the official Original Election Challenge Form (See Appendix N), within ten (10) calendar days after the announcement of the results of the election. If the unit president is a candidate on the ballot, please see item number 5. [Revised 7/03, 6/08, 6/09, 6/13]

4. Upon receipt of the challenge, the unit’s Elections Committee will notify all the candidates that a challenge has been filed and the nature of the challenge. The names of challengers and challenge forms shall remain confidential. Within ten (10) calendar days after receipt of the challenge, the Elections Committee shall determine if the challenge is valid, using the following procedures:
   a. Read and understand the elements of the challenge.
   b. Review all documents, directions, and procedures related to the election in question for conformity with the chapter’s election rules and/or the CTA Elections Manual requirements.
   c. Review the unit’s bylaws and election standing rules for procedures and practices as they relate to the issues raised in the challenge.
   d. Review the CTA Elections Manual for requirements that relate to the issues raised in the challenge that the chapter’s governance documents do not address.
e. Fully and objectively interview the challenger.
f. Fully and objectively interview every witness identified by the challenger.
g. Inquire and gather the names and contact information of other chapter members who could or do have insight into the elements of the challenge.
h. Analyze the issues of the challenge based on the unit’s bylaws and election standing rules to determine if there is a violation.
i. Determine whether identified violation(s) may have affected the outcome of the election.
j. Confirm that the resolution recommendations address each point raised by the challenger and that these recommendations have been reached in a fair and objective manner.
k. Submit a written report including issues, findings, and recommendations to the chapter president and the Executive Board within the same ten (10) calendar day period.

5. Any member of the Executive Board who was a candidate in the race that has been challenged, or whose immediate family member is a candidate in the race that has been challenged, shall recuse themselves from discussion of and voting on the challenge. If in the case where the majority of the Executive Board is unable to act on the challenge the decision shall move to the Representative Council. In the absence of a Representative Council, the unit shall contact the CTA Elections and Credentials Chairperson through the Governance Support Department to determine the next step.

6. The governance body shall render a decision and issue that decision in writing to the challenging party and all candidates on the ballot no later than ten (10) calendar days following receipt of the written report of the Elections Committee in accordance with CTA Challenge Procedures as described in the CTA Challenge Procedures – Local /Service Center Council Elections on the next page. The names of challengers and challenge forms shall remain confidential.

7. If the governance body fails to act within twenty (20) calendar days of the original challenge, the challenging party may file an appeal on the official CTA Appeal Form to the CTA President.

8. The challenging party or any candidate affected by the decision of the unit’s governance body may file an appeal on the official CTA Appeal Form to the CTA President within ten (10) calendar days from the date of the decision of the unit’s governance body. The appeal shall include the information requested on the official CTA Appeal Form located in Appendix O.
